Free quarters to the Principals of the Centr College, Bangalore and the Maharaja's Colleg Mysore.

24) In Government Order No.Fl.2320-70/S. & A. 123-31-1, dated the 2nd October 1931, passing orders on the recommendations of the Retrenchment Committee in regard to the revision of the allowances drawn by several officers, Government directed that the free quarters allowed to the Principals of the Central and the Maharaja's Colleges were to the then incumbents only and should not be given to their successors.

25) In pursuance of this order, Messrs. E.G. McAlpine and A.B. Macintosh who were recently appointed to act as Principals of the Central and the Maharaja's Colleges respectively, are not entitled to free quarters. They have submitted representations bringing to notice the hardship felt by them, on account of the recent measures of retrenchment, and requesting that the privilege of free quarters may be continued in their cases also. The Vice-Chancellor strongly supports their case.

26) There is considerable force in what these officers say in support of their representation. The Duty Allowance attached to this office was reduced from Rs.200 to Rs.100 in 1931. Along with the general salary cut, the withdrawal of free quarters works as a hardship, and some relief seems necessary. The question was considered at a meeting of the Council on the 10th July 1934 when it was resolved that these officers may be given rent-free houses

[illegible] by Mr Rolfe.

Mysore.
May 25. 1934.

Dear Sir Mirza,

As you know I am now acting as Principal of the College and have received orders from the University that I shall not be granted free quarters during the acting period.

When I acted in 1930 free quarters were given for the whole period and there was no salary cut. I am, therefore, now receiving about Rs 220 a month less salary than I did when I acted in 1930!

These acting periods - so short and not frequent - are looked forward to as a means of helping to relieve the stress of the financial position.

It is therefore a serious matter when there is a heavy reduction.

For acting as Principal for nearly seven months I shall receive total allowances of about Rs350. From this has to be deducted increased expenses and subscriptions, so that the total allowances will not be more than about Rs300.

Actually the allowance of Rs100 per month without free quarters brings very little financial benefit in view of increased expenses and responsibility.

It has always been the rule in different Services to give free quarters with the Principal of Colleges.

The withdrawal of the

benefit of free quarters must be a matter of grave concern to any officer in my position — firstly because it is a serious alteration in the conditions of service, made when I am entering the latter part of my service — secondly, it comes in addition to the salary cut, and thirdly it is the withdrawal in difficult times of an easement previously enjoyed by myself.

I am now nearing the completion of 20 years service, and shall soon be approaching the age of 50; and I am in the unenviable position of having been unable to save anything and also of having little

prospect of being able to save
future.

The position is all the more unfortunate because, when I was offered work in the Indian Educational Service, the prospect was held out that I might expect some advancement in the Mysore Service. I have enclosed a letter which bears on this subject.

I believe I am the only European in the Educational Service in Mysore who has remained in the same position for 20 years. Weir, Cook, Cole, Rentham, Metcalfe, Sell, Rolls, M'Alpine all moved up.

During the last years we have felt the financial pinch very much and the margin

between solvency and insolvency has been very narrow. And we have made every effort to cut down expenses.

In addressing you at this juncture I believe that I have the full approval of the Vice-Chancellor.

Yours sincerely
G. B. Martintoft.

MYSORE.

Dated 12th July 1934

Dear Mr. Rajagopalachari,

I enclose for the kind and favourable consideration of Government a copy of a letter from Mr. E.G.McAlpine, requesting the cancellation in his case of the order of Government requiring the payment of rent by the Principal of the Central College for the quarters assigned to the Principal. I may remark that I have never been a consenting party to the reduction of the emoluments of the heads of the University institutions which Government have recently effected. These reductions have diminished the difference between the remuneration of a Principal and that of a Professor to a figure which is entirely disproportionate to the additional work and responsibility devolving on a Principal, tending definitely to lower the prestige and position of authority which the head of an important institution should maintain. In Mr.McAlpine's case the reductions (added as they are to the general salary cut) go far beyond this, even to the extent of interfering very seriously with his domestic budget. I trust that Government will see their way to consider Mr. McAlpine's representation sympathetically.

Letter dated the 7th July 1934 from Mr. E.G.McAlpine, M.A., Ag. Principal, Central College, Bangalore, to the Vice-Chancellor, University of Mysore.

---

I have the honour to address you on the subject of payment of rent now proposed to be claimed from the Principal of this College for Central College House. I find that under Government Order No.Fl.2320-70/S & A 123-31-1 dated 2nd October 1931 the privilege of rent free quarters allowed to the Principals of the Central and Maharaja's Colleges has been ordered to cease on change of incumbent.

I have gone carefully into the figures in this matter, and find that the total cut in emoluments to which I shall be subjected under this Government Order seems far in excess of what I am informed is the maximum intended by Government. I place below in tabular form (1) salary drawn by you yourself when Principal of this College, (2) that drawn by Mr. F.R.Sell prior to the coming into force of the cuts and (3) that drawn by myself now.

| | Dr.E.P.Metcalfe. | Mr.F.R.Sell | Mr.E.G.McAlpine |
|---|---|---|---|
| Pay | 1000 | 1000 | 900 |
| Special Allowance | 200 | 150 | 135 |
| Duty allowance as Principal | 200 | 200 | 100 |
| Rs. | 1400 | 1350 | 1135 |

Under the Government Order referred to above I shall now have to pay one tenth of my salary as the rent of Central College House. This will reduce my net pay to Rs.1022/- per month. If my salary of 1022/- is compared with Dr. E.P.Metcalfe's 1400/-, it will be seen that there is a difference of Rs.378/- per mensem, which works out at a total cut of just under 26%. If my salary is compared with Mr. F.R.Sell's figure of 1350/-, the difference will be found to be Rs.328/- which amounts to a

cut just over 24 %. It seems to me that at the time when the Government Order referred to above was passed, it was perhaps hardly realised that the two Principals so affected were going to lose approximately 1/4 of their total emoluments. I have the honour to request, therefore, that in the lifht of these figures you may be pleased to move Government on my behalf to cancel the Order whereby I have to pay rent for living in Central College House. If I may be permitted to become personal, I would point out that with my wife and family in England at the moment, it is a financial impossibility for me to take up my residence in Central College House, if I am to be made to pay rent for it. After I have made the monthly remittance for education and maintenance of my family at home, the balance left out of the salary of 1022/- per mensem renders the running of a bungalow a sheer impossibility.

I should be grateful if in forwarding this letter to Government you can see your way strongly to support my request.

Sir,

Adverting to G.O.No.273-75/C.B., 29-34-1, dated the 2nd August 1934, sanctioning the grant of the concession of rent-free quarters to Messrs. E. G. McAlpine, Officiating Principal, Central College, Bangalore and A.B.Mackintosh, Officiating Principal, Maharaja's College, Mysore, I am directed to forward herewith a copy of letter No.894, dated the 15th September 1934, together with the enclosures in original received from Mr. A.B.Mackintosh and to request that the order of Government granting the concession of rent-free quarters to him may kindly be made effective from the date on which he assumed charge of the Principalship. Mr. Rollo was granted leave with effect from the 25th June 1934, with permission to prefix the summer vacation and Mr. A.B.Mackintosh took charge of the Principalship on the 31st March 1934 afternoon.

Strictly speaking the concession takes effect from the date on which Mr. Rollo began to count his leave. But since Mr. Mackintosh was carrying on the current duties of the Principal during the vacation without remuneration, the Vice-Chancellor recommends that he might be excused the payment of house rent during the vacation also. I am accordingly to request that kind sanction of Government may be obtained exempting Mr. Mackintosh from payment of rent for the quarters occupied by him with effect from the 1st April 1934 to the date on which Mr. Rollo takes over charge of the Principalship again.
